Goals

My long-term goals are to attend college and compete in Collegiate Rodeo as a team member for a leading collegiate program. I also hope to earn my undergraduate degree and eventually become successfully involved in the medical or equine industry upon graduation. In the arena, I plan to continue pursuing the dream of qualifying for the NFR in the breakaway roping and the barrel racing.

My short-term goals are to win the WPRA All Around Cowgirl title in 2020 and qualify for state in at least 4 events in High School Rodeo my Senior Year and win the NLBRA Barrel Racing and Break Away title in July 2020 at the National finals. Additionally, I have set a goal to earn a full ride scholarship to college through both academic achievement and success in the arena.

Ambassador

I would be a great ambassador because I LOVE to talk and socialize with others! I travel all over the country rodeoing and meet many people; therefore, I can truly advertise amazing products, companies, and schools to a variety of potential customers and students.
